Research and Innovation Circle of Hyderabad (RICH)

Dear CGCs,

Date:08/01/2023

Research and Innovation Circle of Hyderabad (RICH) has launched a holistic scholarship, internship and mentorship programme aimed at empowering marginalised female students in STEM disciplines. In this programme, undergraduate (UG) and postgraduate (PG) students (life sciences, chemistry and pharmacy backgrounds) particularly those enrolled in Tier 2 and 3 institutions from rural/semi-urban regions of Telangana receives stipend while they intern at a premier R&D institutions and network with domain experts and scientists from Syngene International Ltd. The UG students receive a stipend of Rs. 10,000 for a period of 2-3 months, whereas PG students receive Rs. 15,000 for a duration of 6 months. Please find more information about the programme here: <https://rich.telangana.gov.in/Women-in-STEM.html>

- All final and second year students are eligible to apply but the final selection is made by the executive committee of RICH. Application Link: <https://forms.gle/PW1mpkk75JCvLz339>
- All CGCs are requested to identify the best students and help them apply for the program. List of applied students may be shared with HE Wing by filling out the following Google sheet.
