OUTREACH PROGRAMME BY MATHEMATIC DEPARTMENT ON 15TH MARCH,2023.

TSWRDC(W) Wanaparthy ,Mathematics Department conducted an outreach program at a local school focused on simplifying mathematics and exploring career opportunities in the field by Second year students. The session aimed to demystify complex mathematical concepts, presenting them in a more approachable and engaging manner. The program highlighted various career paths available after completing intermediate education, such as engineering, data science, actuarial science, and academic research. The initiative inspired students to view mathematics not just as a subject, but as a gateway to diverse and rewarding professional opportunities.
