Sub: Awareness Programme on Intellectual Property Rights (IPR) under National
Intellectual Property Awareness Mission (NIPAM) – Invitation – Reg.

Madam/ Sir,

The Office of Controller General of Patents, Designs and Trade Marks hereby invites your esteemed institution to participate in the National Intellectual Property Awareness Mission (NIPAM) by organizing an Awareness Program on Intellectual Property Rights (IPR) for the students of your college on the occasion of 75th Anniversary of our Nation's Independence under the banner of Azadi ka Amrit Mahotsav. The Government of India has started this mission under which awareness on Intellectual Property Rights (IPR) would be imparted to 1 million students during the period from 15 August 2021 to 15 August 2022.

Intellectual Property Rights are exclusive rights granted in the form of Patents, designs, Trademarks and Geographical indications. India's position in the global innovation index has peaked at 48th rank in 2020 when compared to 81st in 2015-16. This awareness program would expose the students to various types of IPR which will in turn ignite their intellectual thoughts thereby motivating them to innovate and further transform their innovative ideas into Intellectual Property assets. The College would also benefit from IPR awareness by marching ahead in the overall national ranking.

The program is conceptualized in the following format: -

- Resource Person : Officer (Group 'A' Gazette) of Patent Office
- Mode of seminar/program : Offline (at the institution) or Online (webinars)
- Duration of the program : 30-40 minutes
- Certification : Certificates by Govt. of India shall be issued to all the Participants & Letter of Appreciation shall be awarded to the Institution

The seminar will be conducted at free-of-cost basis. You are requested to provide the contact details of the authorized person of your institution and a convenient date & time for conducting the seminar to the following official:

Dear Sir/Madam,

On the occasion of the 75th anniversary of independence, the Government of India has begun a mission to spread awareness on IPR among college and school students under the scheme – National Intellectual Property Awareness Mission (NIPAM). As a part of this mission, Office of the Controller General of Patents, Designs and Trademarks (CGPDTM), is approaching selected institutions for conducting awareness programs on IPR.

Intellectual Property Rights (IPR) are exclusive rights granted in the form of Patents, Designs, Trademarks, and Geographical Indications.
