## **CAREER GUIDANCE CELL**

**CAREER GUIDANCE CELL(CGC) is doing many activities for overall development of the student in placing them in their Higher Educations. Some of the activities that are under taken by CGC are impacting knowledge about various good colleges and new courses provided in and out of the country & state, conducting preparatory exams coaching classes for the students such as CUCET, NIMCET, CPGET, ICET, CAT, HCU, CHI, Azim Premji University, EFLU and many more and top 100 students will be given special free coaching by the eminent faculties.**

**This cell provides career counseling and works meticulously to prepare students for national level entrance examinations for various Institutions across the country and orient students for merit-based admissions whilst making them aware of the same. In keeping with the EEE (Education, Employment and Entrepreneurship) agenda, it also provides the necessary skills orientation for the students to be job ready soon after graduation. Each College is equipped with a team of dedicated faculty that are trained to guide the students in choosing their career paths.**

### **Main Objectives**

The Career Guidance Cell has been catering to the needs of students with the following objectives:

- The Career Guidance Cell provides services in various areas for our students that enable them to develop applicable skills in the competitive job market
- The Cell organizes Workshops and Seminars on Personality Development, Interpersonal Relationship, Communication Skills, Interview Skills and Presentation Skills to enable the all-round development of students.

- The Cell organizes the programmes to create awareness about the importance of higher studies in India and Abroad.
- The Cell organizes various awareness seminars for the competitive exams and to counsel them for higher studies.
- Conducting PG Entrance Coaching classes by the faculty

## **VISION**

Students will be prepared for a lifelong commitment to learning. This will improve their knowledge as well as career prospects and lead them to be productive citizens of the world.

## **MISSION**

The mission of the cell is to prepare and give exposure to students on pursuing higher studies in India and abroad.
