The National Cadet Corps (NCC) is the Indian Military Cadet Corps with its Head Quarters at New Delhi. NCC is open to all the students of school and colleges on voluntary basis. National Cadet Corps came into effect on July 16, 1948 with the deceleration of NCC Act of 1948 and the NCC was placed under the ministry of Defence. National Cadet Corps can be termed as a Tri services organization as it comprises of the Army, Navy and Air force.

The NCC Provides exposure to the cadets in a wide range of activities, with a distinct emphasis on Social services, discipline and adventure training. Further to develop character, commandership, leadership, secular outlook and the ideals of selfless service amongst the youth to take up a carrier in the armed forces, the NCC training is very useful.

The NCC certificates 'A', 'B' and 'C' are very useful to the students. NCC cadets have reservations in many government jobs. NCC cadets have a lot of academic incentives too.

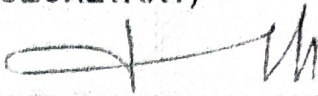

In this Connection it is decided to start NCC units in all COEs and Residential Degree Colleges of TSWREIS for the welfare of students. The Regional Coordinators are hereby instructed to approach the nearest NCC Commanding Officer and get enrolled to start a NCC Unit in all COEs and Residential Degree Colleges under Fully Self Finance Scheme mode by duly following the procedure. (Ignore if already NCC unit is existing).
