**DEPARTMENT OF CHEMISTRY**

**6. GOVERNANCE LEADERSHIP AND MANAGEMENT:**

**Organization and management:**

- The department operates under the principal's supervision through the head of the department.
- The head of the department manages the daily activities of the department.
- Regular meetings are held with the staff to discuss departmental activities, and democratic decisions are made and implemented.
- Besides teaching, the faculty manages admissions, examinations, library work, and other related tasks.
- The faculty prepares the annual plan at the beginning of the academic year.
- Faculty members frequently meet to discuss upcoming events for students, and these discussions are documented in the minutes register.
- Our faculty members serve on various committees, including admissions, mess, CGC, HKC, and also act as library in charge.
